BIBLICAL, MISSIONAL, AND GLOBAL

1

After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, "Salvation belongs to our God who sits on the throne, and to the Lamb!"

Revelation 7:9-10

FIRST AND FOREMOST, Gateway Seminary exists to shape leaders who expand God's kingdom around the world. To do this, we are committed to being a seminary that is biblical, missional, and global. As a biblical seminary, we stand unapologetically upon the inerrant Word of God. Every class at Gateway is taught through the lenses of the trustworthiness and sufficiency of Scripture.

As a missional seminary, Gateway seeks to engage culture. We believe that just as Jesus became incarnate to accomplish the Father's plan of Redemption, so too we as Christians are called to live on mission to spread the name of Jesus and make disciples of all nations. Gateway trains students to seek creative and fresh ways to effectively communicate the Gospel, without ever compromising the message.

Lastly, Gateway is a global seminary. We are delighted to be a multiracial and multicultural community of students, faculty, and staff. Gateway intentionally exposes students to a global vision of the Kingdom, with an emphasis on missions, evangelism, and church planting. No matter what your ministry goals, we want all students share in God's passion for the Gospel going to the nations.

COMMUNITY WORSHIP

The primary campus venues for worship is the chapel service held on Thursday at 11:00 a.m. during the fall and spring semesters. The chapel experience is designed for the adoration of Christ, the exposition of His Word, and the inspiration and edification of the worshiper. The Seminary embraces corporate worship as a vital component of a Christ-centered education. Students are encouraged to attend chapel in conjunction with faithful attendance and service in their local church.

COMMUNITY BIBLE STUDY AND PRAYER

Students are expected and encouraged to maintain a daily time of worship through personal prayer and Bible study. These times of personal devotion produce meaningful community worship. Various campus groups gather for structured and unstructured prayer and Bible study. Group prayer is often included in classroom settings and community prayer requests find expression through the campus. The campus Prayer Room, located on the fourth floor, room 433, is always open for use by students, faculty, and staff members.

LOCAL CHURCH INVOLVEMENT

The local church is God's plan for Kingdom expansion. Gateway is a vibrant community of Christians, but it is not a church. Students should not substitute on-campus times of worship and fellowship for active participation and service in a local church. Students are expected to join, serve in, and financially contribute to a local church home while enrolled at Gateway.

COMMUNITY MISSIONS

Missions and evangelism are the heartbeat of Gateway Seminary. Students are expected to cultivate the habit of evangelism and to develop a passion for missions. To that end, multiple programs and opportunities are presented annually such as Global Missions Week, student Missions Conference, and Intersect.

STUDENT PRIVILEGES AND RESPONSIBILITIES

2

“Test everything. Hold on to the good. Avoid every kind of evil.”

1 Thessalonians 5:21-22

RESPECT

The Seminary recognizes the inherent value of all individuals associated with this campus community and seeks to treat students with grace and compassion. As individuals made in God’s image, every person of every race possesses dignity. Gateway seeks to make available to all students equally any privileges, programs, and activities afforded through voluntary association with this educational institution. Gateway expects students to extend respect to one another as well as to faculty and staff.

PRIVACY

Confidentiality. Gateway faculty, staff, and administration seek to maintain a professional level of confidentiality, whenever possible, in regard to personal information disclosed to Seminary personnel. This is especially significant given the high value placed on pastoral relationships between students and faculty. However, confidentiality does not pertain to:

- Student actions or attitudes in clear violation of ethical behavior and therefore indicate the need for conference with the Vice President for Enrollment and Student Services or the faculty Student Relations Committee.
- Information which demands disclosure to local, state, or federal authorities as prescribed by law.
- Disclosed information that indicates a clear and present danger to the student, the classroom environment, or the community at large.

STUDENT RELATIONS COMMITTEE

Student Relations Committee. The faculty Student Relations Committee of the Ontario California Campus serves:

- To consider and respond according to faculty and/or administrative policies concerning student academic matters.
- To consider and respond according to faculty and/or administrative policies pertaining to student academic department.
- To assist, as requested by the Vice President for Enrollment and Student Services, in matters of mutual interest relating to students.
- To recommend to faculty and/or administration new or revised policies related to students as needed.

Student Affairs. The Vice President for Enrollment and Student Services is charged with responding to the life needs of students with integrity, efficiency, professionalism, and excellence in a way that models servant-leadership.

Judicial Advocacy. Students charged with violations of ethical conduct standards have right to appeal in all matters pertaining to campus discipline procedures (see Handbook p. 13-14).

GRIEVANCE

The Seminary understands that the need to resolve grievances sometimes occurs within a campus community. Students who feel they have been treated unfairly or inappropriately should seek to resolve the difficulty through the appropriate staff or administrative officer who manages responsibility in that particular area. Informal issues should first be handled confidentially through an “open door” approach, incorporating all available campus resources and spiritual discernment.

Informal Grievance Process

Most conflicts can be resolved by discussion with the person(s) directly involved in the matter, be it a faculty member, staff person, or another student. This type of resolution certainly is preferable to more formal actions, and would honor the spirit of scripture as expressed in Matthew 18:15. Scheduled appointments are preferred over drop-in calls/visits. Often a cooling off period is necessary before making contact. Most grievances are not of a nature demanding immediate resolution. A polite, patient, considerate approach is almost always the most effective in resolving the issue.

Formal Grievance Process: Step 1

In the event that satisfactory resolution is not achieved through an informal process, the student may then appeal to the appropriate Seminary administrative officer who exercises responsibility in that particular area, as follows:

1. If the grievance concerns matters of Faculty/Academics, Courses/Schedule, or Library, write to the Vice President for Academic Affairs.
2. If the grievance concerns matters of Business Office, Human Resources, IT, Facilities, or Food Service, write to the Vice President for Business Services.
3. If the grievance concerns matters of Alumni or Public/Church Relations, write to the Vice President for Institutional Advancement.
4. If the grievance concerns matters of Enrollment, Registrar, Student Services, Residence Life, Commuter Housing, Placement, Financial Aid, or Chapel, write to the Vice President for Enrollment and Student Services.

All grievance appeals should be written and should clearly identify the facts surrounding the conflict. Again, appointments are preferred to drop-in visits. Administrative officers will not entertain appeals that have not proceeded properly through the informal grievance process previously described. The written appeal must state with whom the informal process has been attempted and should include copies of any other pertinent documents. The administrative officer will respond to formal grievances as appropriate and may call for further appointments with the grievant or other persons involved. The officer will respond in writing directly to the student concerned. Grievances should be filed within ten (10) days of the event causing the grievance.

Formal Grievance Process: Step 2

Should the grievant remain unsatisfied with the results of the Step 1 process, he/she may proceed to Step 2 through direct appeal to the President. Such appeals should also be written (as in Step 1) and should contain all pertinent documentation. The President’s Office will not accept appeals that have not proceeded through each prescribed step of the grievance process, so the written appeal must reflect all previous steps undertaken. The President is the final stage of the formal grievance process and all decisions of the President are final.

HARASSMENT REPORTING

Gateway Seminary does not tolerate the harassment of individuals. Any form of verbal, physical, or sexual harassment is inconsistent with Christian living and will not be tolerated.

It is the Seminary's policy to strictly prohibit any conduct that constitutes sexual harassment and to discipline any student or employee (whether a fellow student, supervisor, or co-worker) who is guilty of such conduct. Such conduct includes, but is not limited to, offensive jokes, comments, innuendos, and other sexually oriented statements. If you are harassed, confront the harasser and ask him or her to stop. If you are unable to confront the harasser or are unsuccessful in doing so, report your complaint immediately as follows:

- If your complaint applies to a fellow student, please contact the Vice President for Enrollment and Student Services or the Vice President for Academic Services.
- If your complaint applies to a faculty/staff member, please contact the Vice President for Business Services.
- Make your complaint in writing, if possible and include any/all relevant details, names of the person(s) involved and the names of any witnesses.

All reports/complaints of harassment will be investigated thoroughly. Should investigations confirm a case of harassment, the Seminary will take proper disciplinary action against all culpable parties. The Seminary will endeavor to act upon all complaints promptly. A representative of the Seminary will inform complainants of the outcome of the investigation and any consequence to the harasser. There will be no retaliation against an individual, whether student or employee, for filing a complaint.

Any student or employee found to have violated the harassment policy would be properly disciplined, up to and including suspension or dismissal. Likewise, disciplinary measures will be applied should investigations determine that a complaint was fabricated for malicious reasons.

DISABILITY ACCOMMODATION

Gateway Seminary is classified as a private, faith-based educational entity and therefore specifically excluded from compliance with federal mandates governing barrier-free access. However, in good faith, the Seminary voluntarily provides reasonable institutional accommodations, modifications, and adjustments to enable and empower students with disabilities to participate in the programs and activities of the Seminary to the fullest extent possible. Nevertheless, Gateway cannot support accommodations which place undue hardship on the Seminary or its resources, or which alter the essential requirements of curriculum and academic progress.

Persons admitted to the Seminary with qualified disabilities should consult with the Enrollment Office and the Student Services Office immediately concerning any requested accommodations, modifications, and/or adjustments necessitated by their disability. Failure to provide timely notice could prevent the Seminary from efficiently managing accommodations prior to the beginning of class sessions. Any questions concerning seminary policies on disability accommodations should be directed to the Student Services Office.

THE ISSUE OF RESPONSIBILITY

Participation in any educational community is voluntary. Moral character is expected, and assumed, of all students who associate themselves with Gateway Seminary. Volunteer participation implies accountability for moral, ethical, and legal choices. As representatives of Jesus Christ, believers should demonstrate a lifestyle that reflects His character in both

public and private behavior. Seminary standards could easily be summed up in Peter's admonition to "be holy in all you do" (1 Peter 1:15). Ethical and moral standards referred to here and in other sections of this Handbook have historic roots in Scripture and are not determined by the changing morality of society. Simple observance of moral responsibility does not constitute spirituality per se, nor do Seminary regulations comprise the entirety of one's responsibility to God. But the willingness to adhere to student responsibilities exhibits spiritual health and a concern for the well-being of the entire campus community.

ETHICAL CONDUCT

Gateway Seminary is an educational institution of the Southern Baptist Convention and operates within its parameters – expressed through its legal documents, convention decisions, and adopted resolutions. The Seminary assumes each student is a ministry leader, has a proven record of Christian conduct, and has the unqualified endorsement of a local church. The Seminary expects student conduct to meet standards normally expected of ministry leaders in Southern Baptist churches and mission organizations.

The behavior of every student is subject to review at all times during the full duration of enrollment in the Seminary. The Seminary reserves the right, at any time, to investigate student conduct and terminate the enrollment of any student who does not meet the Ethical Conduct Standard. These ethical standards are articulated, but not limited to, the following statements

- Academic misconduct – violation of academic policies, plagiarism, or cheating.
- Controlled substances – including possession, use, or sale of illegal drugs and recreational marijuana; use of tobacco or nicotine products (including e-cigarettes); or use of alcoholic beverages (see additional statement below).
- Sexual misconduct – including any form of extramarital sexual intercourse, inappropriate displays of affection or attention, lewd and indecent language or conduct, and homosexual behavior.
- Making false statements to the Seminary (verbal or written) – including matters related to admission, registration, residential status, other official records, or any forgery/falsification of documents.
- Financial impropriety – including mismanagement of ministry funds, non-payment of Seminary accounts, and failure to practice Christian stewardship.
- Assault and threats – including fighting, other acts of aggression, abusive behavior, verbal or physical threats, or any disorderly conduct deemed reckless and dangerous.
- Theft – including theft of Seminary or personal property, unauthorized entry of Seminary or personal property, or abuse of Seminary property.
- Harassment – including demeaning speech or actions, inappropriate racial/ethnic/cultural comments, or disrespectful behavior toward anyone.
- Criminal conviction of any kind.

Further Statement on Alcohol Use

The Seminary requires abstinence from alcoholic beverages for the following reasons:

1. Deference - The Seminary is owned by the Southern Baptist Convention which has repeatedly adopted resolutions calling for abstinence among believers.
2. Stewardship - The Seminary will not devote staff time or financial resources to resolve the issues which would inevitably arise if it sanctioned alcohol use.
3. Example - The Seminary recognizes most Southern Baptist churches and missions organizations require abstinence by their leaders and expect the same from future leaders.
4. Wisdom - The Seminary recognizes alcohol is a destructive force in society and abstinence is a wise choice to avoid unnecessary negative consequences.

5. Safety – The Seminary attempts to create a safe environment for family life and learning without unnecessary distractions (all campuses) caused by alcohol consumption.
6. Employment – Seminary graduates who seek employment with Southern Baptist entities must have a track record of abstinence prior to and during employment.

All students are required to sign the Seminary Ethical Conduct Standards form as a part of the admissions process and to abide by the Ethical Conduct Standards while enrolled at Gateway. The Seminary reserves the right to discontinue at any time the enrollment of any student(s) whose quality of performance, active church involvement, personal and ethical conduct, or financial status is deemed unsatisfactory. It is required that students who have given evidence of a divine call, who are preparing for the Christian ministry, and who have sought entrance into an institution administered by a Board of Trustees elected by the Southern Baptist Convention, shall conduct themselves in a manner deemed by the Seminary as conduct becoming a Southern Baptist minister. The Seminary shall initiate disciplinary action should the standard of personal and ethical conduct be violated.

HOME AND FAMILY

Gateway Seminary seeks to foster healthy marriages and healthy families through quality programming, resources, and authentic relationships. The Student Services Office and other Seminary departments sponsor campus events and activities designed to strengthen Christian marriages.

Students encountering marital difficulties during their seminary experience are encouraged to seek assistance through the Vice President for Enrollment and Student Services. The Seminary will extend all available resources, understanding, grace, and concern in assisting couples experiencing marital stress (all referrals and information are held in confidence). Married students who become estranged from their spouses are required to counsel with the Vice President for Enrollment and Student Services. All responses from the Seminary to couples in marital difficulty are designed to encourage reconciliation and restitution. Students who experience a change of marital status (separation or divorce) are required to notify the Vice President for Enrollment and Student Services.

At times, the nature and scope of marital difficulties may impact enrollment status. A student who become separated or divorced is almost always required to withdraw from his/her active degree program for at least one full academic year. This policy exists not as a punitive measure, but to assist the student through a period of emotional/spiritual healing. Resident students impacted by a separation or divorce must consult with the Director of Student Services to evaluate housing eligibility in conjunction with the Vice President for Enrollment and Student Services. Students desiring to return to active enrollment following the withdrawal period are required to resubmit standard admissions documents. The Seminary does not prohibit divorced persons from consideration for enrollment. Exceptions to the above policies may be appealed through the President.

Gateway Seminary supports state law regarding Child Protective Services. State law requires reporting of child abuse or neglect to proper authorities. Children should not be left unattended or placed in any situation on campus that might cause harm or injury.

SUBSTANCE ABUSE

The Seminary acknowledges the issues of substance abuse and perceives this problem as a serious threat to the health and well-being of our students and the overall campus community. Gateway Seminary, in voluntary compliance with the Drug Free Schools and Communities Act Amendment of 1989 (Public Law 101-226), issues the following statements:

- Gateway Seminary prohibits the unlawful possession, use, or distribution of all controlled substances (including narcotics, illegal drugs, and alcohol), as well as abuse of lawful prescriptions and medications, on Seminary property, or as a part of any school activity, or as a part of any non-school related activity.
- Students found to be in violation of substance abuse regulations will be subject to disciplinary action.
- Persons in the campus community dealing with substance abuse problems who voluntarily seek assistance through the Seminary will be aided in confidential referrals for counseling services, treatment, or rehabilitation.
- Gateway Seminary cooperates with all local, state, and federal authorities in maintaining and enforcing a drug-free community.

INFORMATION TECHNOLOGY

Controlled access to the Seminary's computer network is crucial to safeguard system integrity. Students who need access to the campus computer network for Internet research, document production, or desktop publishing may open a temporary user account through the Library Circulation Desk. This temporary user account provides for access to the Gateway Seminary network via the computer lab workstations in the Library. Such access is free of charge; however, student users are accountable to use the network in a responsible manner and to comply with all user regulations/restrictions.

Students are restricted from unauthorized network access. Unauthorized access includes any form of connection/patch to the network using personal laptops or other personal data devices. For example, students may not connect personal laptops or other devices to open network ports nor may they disconnect any Seminary equipment for purposes of accessing ports. Doing so constitutes a serious breach of license. This policy includes all network connections on campus, including those in the classrooms. Students found patching into network ports will be subject to disciplinary actions through the Vice President for Enrollment and Student Services and the faculty Student Relations Committee.

Gateway seeks consistently to uphold and to foster biblical standards of personal integrity, character, and behavior. Accordingly, in offering the privilege of network Internet access, the Seminary exercises the right to limit such access to activities that are consistent with those biblical standards and with the mission of Gateway Seminary as an institution of higher education for ministry leadership. While the Internet provides valuable educational resources, access to the Internet is open to abuse in a number of different ways.

Restrictions on Internet use include activities that would result in libel, false representation, copyright violations, licensing violations, intellectual property violations, and other criminal activities. Such limitations also restrict the use of network Internet resources to access sexually explicit material, engage in defamation of character, violate academic integrity, or engage in unauthorized commercial or political activity.

Seminary personnel may utilize a variety of means to track Internet usage and the management of documents. All campus network users should be aware that all Internet activity is electronically monitored and that inappropriate use of computer hardware, network systems, e-mail, or external Internet will be reported to the appropriate Seminary authorities. Student violations of Internet Technology Guidelines will result in disciplinary actions. The complete Seminary Internet Technology Policy is available for review from the Vice President for Business Services or the Vice President for Enrollment and Student Services.

STUDENT DISCIPLINE

3

“...correct, rebuke, and encourage—with great patience and careful instruction.”
2 Timothy 4:2

DISCIPLINE IS AN ESSENTIAL TOOL in the development of Christian character. Discipline serves as a motivator toward self-control and determination and also plays a significant role in shaping believers into the image of Christ. Student discipline at Gateway Seminary is primarily preventive and serves first to encourage and teach desirable choices, attitudes, and behaviors. This disciplinary approach is redemptive in nature and ultimately seeks the restoration and reconciliation of students in violation of ethical conduct. Punitive measures are secondary in purpose. Student discipline assists in the maturation and growth of individuals and serves to ensure a safe and healthy campus.

The community, as a whole, shares responsibility for disciplinary matters. In a very real sense, we are to be our “brother’s keeper.” Persons who are known to be involved in inappropriate behavior should first be approached, in a spirit of love and humility, by their peers and confronted and counseled concerning the offense (Matthew 18:15-17, James 5:20). Should such an approach prove unsatisfactory, the matter should then be brought to the attention of appropriate school officials. The Seminary recognizes important distinctions between ethical and illegal behavior/actions. While most ethical matters find management within the Gateway community, illegal acts (in most cases) by law must be reported to local law enforcement agencies.

DISCIPLINE PROCEDURES

Biblically based standards of behavior are well communicated to Gateway students and, hopefully, well understood by all who are involved in the campus community. Therefore, students are accountable to the Seminary for personal actions/behaviors. Students who are suspected of violating the ethical conduct form or of being out of compliance with biblical conduct expectations will be contacted by the Student Services Office. The Vice President for Enrollment and Student Services will seek to determine the validity of the complaint, which may involve interviews and other fact finding efforts. Conducting investigations based on hearsay or rumor is unlikely for either the Vice President for Enrollment and Student Services or the Student Relations Committee.

If a student suspects that another student is guilty of impropriety and believes the impropriety can be verified, then he/she should notify the Vice President for Enrollment and Student Services immediately to relay the known facts. Refrain from speaking about the matter to other students or Seminary employees. Relay only the known facts/truths and refrain from speculations or interpretations concerning the conduct in question. After the matter has been duly reported, any faculty, staff members, or fellow students involved should maintain an attitude of prayer for the student/persons in question and continue to guard confidentiality.

Inquiry. The Vice President for Enrollment and Student Services is responsible for the supervision of student conduct and is charged with investigating, processing, and reviewing all alleged violations of Seminary standards and complaints. The Vice President for Enrollment and Student Services receives referrals and conducts confidential inquiries to determine if an offense has actually occurred. This preliminary inquiry may include interviews with all parties involved, both on and off campus.

Hearing. The Vice President for Enrollment and Student Services may elect to handle a case personally or may, at his/her discretion, refer the case to the Student Relations Committee for a formal hearing. The Vice President for Enrollment and Student Services may conduct private conferences to discuss the behavior in question and the evidence at hand. These conferences may be held with the chairperson of the Student Relations Committee, the Committee at large, or any other faculty or staff members the Vice President for Enrollment and Student Services chooses to involve.

Due Process. Students can expect to be properly notified of the suspected offense(s) being investigated. Students charged with an offense are usually given the opportunity to present their side of the story. Students found to be in violation of ethical conduct standards will receive notification of disciplinary sanctions and rulings.

Appeal. Decisions made by the Vice President for Enrollment and Student Services or the Student Relations Committee may be appealed to the President. All decisions of the President are final.

RECORDS

The Office of Student Services maintains all student conduct/deportment records. Such records are property of the Seminary and not open to public access. Notices of official disciplinary sanctions are copied to the Registrar and filed within student's official academic records, where applicable. In some cases, disciplinary status notations may be removed from academic records by approval of the Student Relations Committee.

SANCTIONS

Conditions and terms of sanctions are determined on a case-by-case basis. Some disciplinary conditions may include restitution, reconciliation, counseling, campus service, fines, withholding school records, and avoidance agreements. All sanctions issued will be administered impartially and proportionally to the nature and degree of the infraction. All sanctions issued will be determined, decided and administered in a spirit of Christian concern and compassion and, hopefully, employed to bring about redemptive correction in the life of the offender. Possible disciplinary sanctions include:

Reprimand. A Reprimand is a written notice given to the student specifying the unacceptable conduct and indicating consequences related to further misconduct. Failure to comply with conditions may incur further disciplinary action.

Disciplinary Probation. Disciplinary Probation is a specified time period during which the student's attitude and conduct are closely evaluated. Special conditions are usually established for successful completion of the probationary period. Formal notation of the probation is filed in the student's academic record. Students on probation forfeit all institutionally funded financial aid and may not hold any position of student/campus leadership. In addition, students on probation may be restricted from campus housing and/or school-sponsored activities. Probation for more than two (2) semesters is normally grounds for suspension.

Disciplinary Suspension. Disciplinary Suspension is a specific time period during which the student is suspended from active enrollment in, and participation with the campus community. Formal notation of suspension is filed in the student's academic record. Specific conditions are placed on readmission. Consideration for readmission is based on successful completion of all suspension conditions and upon approval from the Vice President for Enrollment and Student Services.

Disciplinary Suspension may be imposed during or at the end of a semester and readmission may involve an additional period of probation status. In most cases, Disciplinary Suspension for a campus resident will result in loss of campus housing eligibility.

Dismissal. Dismissal constitutes official termination of a student's relationship with Gateway Seminary. Readmission is normally not granted. Formal notation of Dismissal is filed in the student's academic record.

All students on disciplinary status are held responsible in fulfillment of any financial obligations to the institution. Students who must withdraw from classes during the semester due to disciplinary sanctions are subject to standard school refund policies, as reflected in the current Seminary catalog.

PLAGIARISM

Plagiarism is defined simply as copying what somebody else has written or taking someone's idea and presenting it as original. Plagiarism is a serious offense in higher education circles. Gateway Seminary holds such academic practices as dishonest scholarship. The following procedures/policies in dealing with plagiarism were approved by Gateway faculty in 1998:

1. Any student caught plagiarizing shall first be confronted by the specific professor(s) involved. In most cases, plagiarism results in immediate loss of project and/or class credit. The course professor shall notify the faculty Student Relations Committee of such incidence, giving all pertinent details in writing. The student shall receive a copy of the notification addressed to the Student Relations Committee chairperson.
2. Any subsequent incident of plagiarism will subject said student to disciplinary action by the faculty Student Relations Committee.

INVOLUNTARY WITHDRAWAL

An Involuntary Withdrawal Policy is enacted to provide Gateway Seminary with proper standards and redemptive procedures governing the investigation and potential removal of students who exhibit unstable mental or emotional health. Of specific concern is the person who:

- Who engages, or threatens to engage, in behavior that is physically harmful to him/herself or others; or
- Who engages, or threatens to engage, in behavior which would cause significant property damage, directly impede the lawful activities of others, or would significantly affect campus life of Gateway Seminary adversely; or
- Whose mental/emotional state renders him/her unable to meet reasonable institutional standards and, therefore, constitutes a disruption to the learning environment; or
- Is considered to be a threat to the safety of anyone in the Gateway Community.

Copies of the Seminary Involuntary Withdrawal Policy are available for review from the Vice President for Enrollment and Student Services or the faculty Student Relations Committee.

ACADEMIC SERVICES 4

“Be diligent in these matters; give yourself wholly to them, so that everyone may see your progress.”
1 Timothy 4:15

THE MISSION OF THE OFFICE OF ACADEMIC SERVICES is to provide quality learning experiences through faculty, resources, degree programs, and courses. The Seminary Vice President for Academic Services oversees faculty assignments, course schedules, and all degree programs and program concentrations through department and school leadership. Instructions and/or forms related to academic actions requiring approval are located on the Gateway website and through the Registrar’s Office. Students are invited to contact the Registrar or the respective Department Chairperson, Program Director or the Campus Director’s Office for advising regarding any academic activity or exception, such as the following:

- To seek an Independent Study.
- To request an exception or substitution related to course work or degree programs.
- To request a Credit by Exam or course bypass.
- To register for more than 15 units in a semester.
- To change degree programs (see Enrollment Services first).

Students who think they are eligible for the Advance Track M.Div. should contact the Registrar’s Office to begin the application process after being admitted to the standard M.Div.

Syllabi for any course taught at Gateway in the past two (2) years can be reviewed on our www.gs.edu website under “Academics/Course Syllabi.”

CATALOG PUBLICATION

The annual Gateway Seminary catalog serves as the official publication designed to communicate academic policies/regulations, admissions standards, and course/degree programs. Students should look to the Seminary catalog as the primary source of academic information. The catalog is available online from the Seminary website. Gateway catalog publications are also archived in the Library. Please note that, assuming continuous enrollment in at least one (1) semester per year, a student’s degree program is guided by the catalog published for the year in which that student first enrolls in a degree program.

ACADEMIC ADVISING

All Gateway students have access to faculty advisors who provide necessary assistance in course counseling, degree requirements and class scheduling. Semester registration and degree progress are primarily self-managed by each enrolled student. Students are encouraged to take the initiative during the semester registration period to contact the appropriate faculty member for any questions related to academic/degree progress. Faculty members also serve as good listeners for student concerns. Should faculty members not be readily available, students may contact the Academic Dean's Office with advising issues. Refer to the addendum for a list of faculty advisors.

REGISTRAR

The Office of the Registrar supports every current student at Gateway Seminary as well as all faculty and staff members who interact with those students. Specifically, the office is responsible for: class enrollment and registration; verifying graduation; diplomas; preservation of student academic records and protection of their privacy; transcripts; maintenance of the schedule of classes; reservations for classrooms on campus; and assistance for special populations, such as veterans.

Students are able to access most of their academic and registration information through the Seminary website.

Students nearing the completion of a degree program must apply for graduation by the published deadline on the online academic calendar. A graduation application is normally due before the end of the semester preceding their final semester (end of the fall semester for spring/summer graduation; end of the spring semester for fall/January graduation). Gateway Seminary students may choose to participate in the ceremony at any Gateway campus offering a commencement ceremony.

The office processes Student Spouse Scholarships for dually enrolled couples. At least one spouse must be enrolled full-time per semester to be eligible for this special financial assistance. Scholarship forms are available on the Gateway Business and Registration website. This must be completed and submitted each semester by the tuition payment deadline. The Registrar also maintains record of a student's denominational affiliation and changes in denominational relationships (see under Denominational Affiliation for more information).

DENOMINATIONAL AFFILIATION

Gateway Seminary is a Southern Baptist educational entity and as such receives significant financial underwriting for all Southern Baptist students through the Southern Baptist Convention (SBC) Cooperative Program of Missions Giving. A student's denominational affiliation is established upon enrollment in Gateway Seminary.

Denominational affiliation is most often confirmed through the standard church endorsement document submitted with all admissions applications. Denominational affiliation as a Southern Baptist informs various Seminary offices as to rate of tuition charged, priority housing eligibility, and financial aid eligibility. Southern Baptist affiliation is further defined as the church to which a student (1) holds active membership; (2) attends regularly; and (3) contributes skills, ministries, and personal resources.

Students who change from Non-SBC to SBC status after enrollment must provide the Registrar's Office with official correspondence from a qualified SBC church pastor (or church clerk) indicating that the student has joined the church in good standing. The letter must reach the Registrar's Office by the official add deadline date in any given semester in order for change-in-status to be in effect for that academic semester. Students who change from SBC to Non-SBC status after enrollment must also provide that information to the Registrar in a timely manner.

THEOLOGICAL FIELD EDUCATION

Every Gateway degree program includes an internship of practical ministry training with evaluation components. This is accomplished through a hands-on ministry practicum that is administered through the Office of Theological Field Education (TFE). Instead of registering online or directly through the Registrar's Office for a Ministry Practicum/TFE class, a student must submit a TFE application directly to the TFE Office and have it approved prior to registration for the required TFE class. The TFE application process takes place each spring semester, prior to TFE participation in the fall, with a May 15 deadline. Information concerning TFE requirements can be found on the TFE homepage of the seminary website. The only prerequisite for taking TFE is course P1111, Foundations for Ministry. A student desiring to complete an approved course substitution for TFE, such as Clinical Pastoral Education (CPE) or course I2361-62, Church Planting Internship, must also complete an application through the TFE Office. The TFE Office provides student assistance in completing the application and coordinates the various options designed in meeting the practical ministry requirements. For more information, contact the TFE Office at tfe@gs.edu.

THE DAVID AND FAITH KIM SCHOOL OF GLOBAL MISSIONS

The David and Faith Kim School of Global Missions exists to embrace the world with the Good News of Jesus by equipping men and women through a transformative educational process that is interculturally academic, practical, and healthy. The Kim School connects with students on many levels by offering missions and intercultural courses in all of our degree programs. The Kim School also provides oversight of the Master of Missiology (M.Miss.), or Master of Arts in Intercultural Studies (MAIS) programs as well as several missional concentrations in the Master of Divinity (M.Div.). The Kim School achieves this vision primarily through:

- Effective management and active promotion of intercultural studies at Gateway Seminary;
- Developing courses and degrees that will provide the skills, knowledge, and character needed for effective intercultural interaction;
- Providing broader exposure to missions, intercultural issues, and perspectives through the annual Missions Conference, Intersect conference, special events, and directed field experiences in the city;
- Providing intercultural experiences for students and faculty members through short-term mission experiences, internships and mentorships; and
- Promoting an "on campus" missionary fellowship of students with an interest in urban and global missions and cross-cultural ministry.

ADVANCE MINISTRY PREPARATION

ADVANCE Ministry Preparation provides quality, Bible-based ministry training, usually at the post-high school level, in a geographically convenient and contextualized setting through ministry centers and online in the West and around the United States and its territories. Each center is established under the oversight of the Gateway ADVANCE National Office and in partnership with a Southern Baptist church, association, state conventions, and ethnic fellowships in the development and implementation of the training. Through the work of ADVANCE, the Seminary offers 17 certificate programs, 15 diploma programs, and 13 leadership diploma programs. Equipping leaders for discipleship and ministry is at the heart of ADVANCE training.

From time to time during the semester, the staff offers informal training in the advanced features of the library's special databases, Microsoft Word and PowerPoint, Google Drive, Dropbox, and Turabian formatting.

Some points to remember:

- The Gateway Seminary Library Collection supplements the information, knowledge, and wisdom found in your textbooks and class lectures. For more about the library and its online resources, click the Library tab at the bottom of any Gateway webpage or go to <http://library.gs.edu>.
- All three lobby elevators serve the library from any floor. Within the library, the lighted exit signs above single doors show where to exit if the building alarms sound.
- The second floor itself does not have its own lounge area. For extended conversation or meals, use the third or fourth floor lounges, the patio, or the café.
- The same policies that apply to food and drink on other floors of the building also apply in the library.
- There are no charges for you to use the library if you return borrowed items on time.

LOST AND FOUND

Misplaced items around campus find temporary shelter at the main Library Circulation Desk. Please bring any found items to the Library during regular hours. The Loop provides a great vehicle for connecting students to what is taking place on campus, as well as needs of churches. Students are encouraged to register changes to e-mail accounts with the Registrar’s Office each semester in order to stay connected.

Digital Signage Boards. In the main lobby and on the third, fourth, and fifth floors are screens that display upcoming Seminary events and important information.

NEW STUDENT ORIENTATION

New Student Orientation is designed to facilitate familiarity with Gateway academics, personnel, campus services, registration, seminary life, and general Seminary policies/procedures. Students find the fellowship, instruction and “spirit” of orientation to be extremely helpful toward assimilation into the Seminary community and academic success.

New Student Orientation also includes musical worship, prayer, an introduction to the Seminary’s president, as well as introduction to the Cooperative Program of the SBC. Orientation is scheduled each fall and spring semester on the Saturday approximately a week before the first day of classes.

FINANCIAL AID

The Financial Aid Program at Gateway manages multiple internal scholarship funds. These scholarships are organized into various categories according to the intent of the donors. Approved applicants may be awarded financial aid from one or several scholarship categories, depending on eligibility. In addition to internal financial aid, the Seminary partners with sister organizations that provide external scholarship funds. Examples of such organizations include state Baptist conventions, various Baptist associations, mission boards and individual churches. Students normally apply directly to these agencies or organizations; however, some external scholarships may be accessed through Gateway’s Financial Aid Program. Gateway also seeks to expose our student body to potential third-party scholarships such as those offered through corporate sponsorships and general educational services, as well as those available through non-Southern Baptist entities. For more information on financial aid, or to apply for financial aid, please go to www.gs.edu/admissions/financialaid.

As a matter of conviction and policy, Gateway Seminary does not engage in partisan political activities of any kind, including endorsements, contributions, publicity, or accommodation in connection with any election, political convention, or other partisan political event. Therefore, the Seminary does not permit signs, posters, petitions, or other forms of partisan support on campus property, or in any Seminary-sponsored media or event. This access is subject to the same acceptable use policies as the Computer Lab. That is, it is provided for access to the Internet for research purposes while on campus, checking your external email, and so forth. It is not, however, intended as a substitute for a personal ISP (Internet Services Provider) and should not be used to download large files (e.g., to update your computer, download software, etc.) or to stream media (music, movies, etc.) except when needed during a presentation.

DOWNLOADING OF COPYRIGHTED MATERIALS

It is both illegal and unethical to download copyrighted materials without the copyright owner's permission, including printed or written materials, music, movies, or any other form of intellectual property. As such, students may not use the Gateway Seminary network (whether the wired network on the Computer Lab workstations or the wireless network using personal devices) to illegally download such materials.

ADDENDUM **A**

A BRIEF HISTORY OF GATEWAY SEMINARY

The desire to provide training for Christian workers to minister to the masses in California motivated Harvey Gilbert, a Southern Baptist home missionary, to establish the San Rafael Baptist Institute in 1859 in Marin County. Many people hoped the fledgling institute would soon become a Baptist theological school. This expectation, however, did not materialize and the school closed after a few years, in part due to the Civil War.

Soon after, the Southern Baptist Convention withdrew all support for California work and the churches and institutes it sponsored either disappeared or found other affiliations. When Southern Baptists again began establishing churches in California, the first in 1936, the same need for a theological school was speedily recognized. It became apparent the Convention would soon have a growing work in all of the western states.

Harvey Gilbert's dream began to live again in Baptist hearts, and nobody carried that dream more intensely than Isam B. Hodges. While a student at Southwestern Baptist Theological Seminary in Fort Worth, Texas, Hodges became convinced that it was God's will for him to begin a seminary in the West. In 1935, nine years after his graduation from seminary, he finally arrived in California. Two years later he became pastor of the Golden Gate Baptist Church in Oakland.

Following the organization of the Southern Baptist General Convention of California in 1940, Hodges determined that the time was ripe to launch a western seminary. In the spring of 1944, the congregation of Golden Gate Baptist Church authorized its deacons to meet with a committee from the First Southern Baptist Church of San Francisco to formulate plans to establish a theological seminary. A few days later the committee formally agreed to organize the Seminary and applied to the State of California for a charter.

The charter was issued on July 12, 1944. Classes began Sept. 4 in Golden Gate Baptist Church with 16 ministerial students enrolled, and the 85-year-old dream of a theological institute to train men and women for ministry was a reality. Hodges guided the school through that first year as its president and then stepped aside in November 1945 when the Southern Baptist General Convention of California accepted ownership of the school.

Dr. Benjamin O. Herring succeeded Hodges as president in 1946. During his tenure, the Seminary moved its campus to Berkeley, into a three-story brick building at Grove and Addison streets. The Seminary graduated 17 students in its first graduating class in 1949. In 1950, Herring was successful in guiding the Southern Baptist Convention to accept ownership of the school.

Dr. Harold K. Graves from Oklahoma succeeded Herring as president in 1952 and for the next quarter-century Golden Gate would undergo dramatic changes, which would allow it to become one of the finest theological seminaries in the world. Graves continued to expand the faculty and push for academic excellence while maintaining a warm-hearted biblical emphasis. He used the financial resources of the Southern Baptist Convention to lead in the acquisition of a new 148-acre campus site in Marin County. Moving the Seminary was a bold venture which would require the development and construction of all new facilities.

In 1959 the beautiful park-like campus was opened and classes were held for the first time on Strawberry Point, just 11 miles from where Harvey Gilbert attempted to begin a theological school a hundred years before.

Graves continued to lead the Seminary until he retired and became president emeritus in 1977. Dr. William M. Pinson, Jr., pastor of the First Baptist Church of Wichita Falls, Texas, then became president. His five-year tenure saw the Seminary continue to expand its visibility. A steadily growing enrollment brought about the need for a new library and additional student housing. In 1979, Pinson negotiated with Oscar Romo to establish what is now known as Contextualized Leadership Development (CLD), an educational outreach program providing quality, Bible-based ministry training in geographically convenient and contextualized settings. In 1982 Pinson left to become executive director of the Baptist General Convention of Texas.

Dr. Franklin D. Pollard, pastor of the First Baptist Church of San Antonio, Texas, was inaugurated as the fifth president of Golden Gate in 1983. During his three-year administration, the Seminary experienced significant growth. Pollard also led in a redevelopment of the Seminary master plan. He left in 1986 to become pastor of the First Baptist Church of Jackson, Mississippi.

Dr. William O. Crews, Jr. became the sixth president of Golden Gate in 1986. During Crew's tenure, the Seminary established two new campuses, one in Phoenix, Ariz. in 1995 and one in Denver, Colo. in 1996. The Seminary also achieved accreditation approval to offer full master's level degree at all five of the Seminary's campuses.

The Seminary's current president, Dr. Jeff P. Iorg, was formerly the executive director/treasurer of the Northwest Baptist Convention, prior to being elected the seventh president of Golden Gate Seminary in 2004. During his tenure, the Seminary launched the Partners for the Future Campaign, established online course offerings (which includes fully-accredited, master-level courses 100 percent online), relaunched and reformatted the Seminary's electronic communication tools (website makeover including a blog and bi-monthly enewsletter). Over the course of a two-year period in 2014-2016, he led the transition that involved moving the main campus from Mill Valley to Ontario and opening a new regional campus in Fremont, Calif., as well as the name change to Gateway Seminary. He continues to lead the institution—while publishing books and maintaining an extensive speaking ministry—with the mission of shaping leaders who expand God's kingdom around the world.

Since its founding, the Seminary has expanded its influence beyond its vast 11-state region and has conferred degrees on more than 9,400 men and women, many of whom are now involved in strategic ministries all over the globe as pastors, missionaries, chaplains, educators, church staff and workers in the fields of Christian service. Once a fledgling institution that begun in a small church in Oakland, the vibrant Ontario, Calif., campus is now the nerve center for a seminary system that reflects its visionary heritage and looks forward to a bright future of Kingdom work training men and women to take the Gospel to the nations of the world.
