

Deep and Wide Bible Study Groups – Discussion Questions

1. Do you feel like your current group is welcoming? Why or why not?
2. In what way would you like to see your group improve—in going deep or wide?
Explain what you would like to see in detail.
3. As a teacher, what do you feel like you would want to improve in when it comes to making the Bible accessible to all levels?
4. Optional exercise. Everything starts with the gospel. Go around the room and explain the gospel in 30 seconds or less to someone else. Have a few people share their answers.
5. Optional exercise 2. Similar to the first exercise, but now explain why we should listen to the Bible.
6. Closing thought. As you get handles on how to explain the Gospel and the veracity of Scripture, then you will be able to welcome new believers and equip old ones for the Gospel ministry. My prayer is that your groups go deep and wide.
